A celebratory Grand Opening event for Dr. Bawa & Associates was held on July 26 at its newly completed luxury medical spa Sei Bellissima in Destin. The ribbon cutting event was spearheaded by Destin Chamber of Commerce and featured tours of the med spa, complimentary gift bags, food and beverage, meet and greet with the doctors, staff and representatives from leading aesthetic companies, raffles with giveaways, special event only offers, “test the laser” demo stations, and complimentary Reveal imaging.

Laurel Blackerby of Dr. Bawa & Associates stated about the new facility, “We are excited to share our beautiful medical spa with the community. This has been a vision of ours for many years and it is exciting to finally see it come to life. We are proud of what we have created and look forward to being recognized as the premier

medical spa in not only Destin, but all of Okaloosa County.”

As the demand for non-surgical cosmetic treatments continued to grow year after year, Dr. Bawa decided it was time to expand their medical spa into its own location. Sei Bellissima is located adjacently to Dr. Bawa & Associates medical practice and boasts nearly 6,000 square feet of space with treatment rooms dedicated to specific services such as lasers, injectables, body shaping devices, and more. The Spa is headed by Dr. Nitin Bawa, M.D. who has over 15 years of experience practicing medicine and specializing in bio-identical hormones, weight loss and non-surgical cosmetic procedures. Dr. Bawa has received numerous awards over the years for his expertise in general medicine, bio-identical hormones, weight loss, aesthetics, and patient care.
